

Dear Judeo-Christian Leader,

May 17, 2010

Welcome to the Third Monday Evening Tele-Training, hosted by Public Awareness Ministries / PreserveLiberty.com. The outline for tonight's teaching, **America's Founding Formula**, presented by Rick Green, Esq., of Wallbuilders.com, is here on page 2. Rick Green's BIO is on page 3.

While Tea Parties and Town Halls are vitally important, these excellent efforts alone cannot reclaim America.

While Glenn Beck, Sean Hannity, and Rush Limbaugh do a truly phenomenal job telling us what's wrong in America and how it affects us, they do not give us a local plan to reclaim our nation for Christ through consistent united city-by-city prayer and work. But Public Awareness Ministries seeks to provide such a model...

Restoring America's Biblical and Constitutional foundation is not difficult; it consistent takes prayer and focused work of individual citizens like you and me. If only 10% of Christians (*i.e.*, the estimated percentage of Christians who have a Biblical worldview – see Barna.org) would do the following two simple things, we'd go a long way to restoring America's Biblical foundation and the liberty it gives us:

1. **Participate in united prayer for our leaders and nation just one hour a month in your city**; it takes 2-3 minutes at the "**Prayed-Up**" link at PreserveLiberty.com to sign up a new prayer group, and we will build you a free webpage (and provide monthly updated one-page prayer guides).
2. **Invest one hour a week (four hours a month) to register voters, walk precincts, help qualify a ballot initiative, work on voter guides, etc. We provide the free teletraining every third Monday evening** about how-to advance Biblical values and God-fearing leaders, beginning in your community! See the "**Trained-Up**" link at PreserveLiberty.com for details.

To see a 3-minute video about this simple prayer-based, city-by-city ministry model to preserve America's Biblical and Constitutional foundation, please visit PreserveLiberty.com. **Daniel Webster reminds us** that, "God grants liberty **only** to those who love and are willing to defend it."

Share the vision of thousands of local groups across America, each of which has several churches or organizations tied-in, that consistently pray and work together to advance Biblical values and God-honoring leaders. **Will you join us** in this holy cause? Will you encourage others to join us? **Thank you** for your prayers and consideration.

--Praying and working together, city-by-city, to protect life, marriage, and America's Biblical foundation,

Mark Matta (Mark@PreserveLiberty.com)

America's Founding Formula

By Rick Green (Wallbuilders.com)

Topic:

America's founding formula produced the greatest nation in history. What was the formula and how have we moved away from it?

Outline:

We'll cover 4 elements of that formula directly from the Declaration of Independence, how we have moved away from each, and how we get back.

Resources:

Please visit Wallbuilders.com for a wide variety of print, CD, and DVD resources about America's Christian History and Foundation.

1. **TRUTHS:** The Founders believed in moral absolutes, not moral relativism. We have allowed political correctness and new age thinking to replace moral clarity and high ideals.
2. **CREATOR:** Our system is built around the idea that God is the source of our freedom, not our neighbors or our government. The concentrated effort to remove God from our public square is an attempt by the socialists to move us away from an Abraham style society towards a Nimrod society where government is the source of everything in our lives.
3. **CONSENT:** Our system works only when we work out. If we are not involved giving or refusing our consent, then those who do not believe like us will shape our government, thereby shaping our lives. The most important part of working the system is choosing our representatives. We'll cover the four character traits of a leader as defined by God in Exodus 18:21. We'll also talk about giving or refusing our consent through exercising our First Amendment rights of free speech, press, assembly, and petitioning our government for redress of grievances.
4. **PURSUIT OF HAPPINESS:** We will discuss the free enterprise system versus socialism, the lessons of the Pilgrims, the 70's price fixing, and modern day examples.
