

Dear Judeo-Christian Leader,

October 18, 2010

Welcome to the Third Monday Evening Tele-Training, hosted by Public Awareness Ministries / PreserveLiberty.com. The outline for tonight's teaching, ***Final Thoughts – Impacting the Election*** begins below on page 2.

Tea Parties, Town Halls, meetings, rallies, and conferences are vitally important, but when the rally is over, what effective things will we do to on our own home turf that really make a difference (without a big time commitment)?

While Glenn Beck, Sean Hannity, and Rush Limbaugh “sound the alarm” by telling us what’s wrong in America and how it affects us, they do not give us **a local plan** to reclaim our nation for Christ through consistent united city-by-city prayer and work. This is the goal of PreserveLiberty.com...

Restoring America’s Biblical and Constitutional foundation will require prayer and focused work of individual citizens like you and me. If only 10% of Christians (the percentage of Christians who have a Biblical worldview, Barna.org) will **GIVE** a hour a month in consistent united local prayer **and one morning** a month to work to advance Biblical values and God-honoring leaders, and we’ll **GET** America back.

Share the vision of thousands of local groups across America, each of which has several churches or organizations tied-in, that consistently pray and work together city-by-city to advance Biblical values and God-honoring leaders. **Will you join us** in this holy cause? Will you encourage others to join us? **Thank you** for your time, prayers, and consideration.

--Praying and working together, city-by-city, to protect life, marriage, and America's Biblical foundation,

Mark Matta (Mark@PreserveLiberty.com)

Final Thoughts – Impacting the Election

(No one can do everything, but everyone can do something...)

I. Election Day -- Ideas for Making an Impact

A. Pray: (always begin with prayer – Js. 5:16, Mt. 18:19-20, Mt. 17:20, Lk. 18)

- ✓ We are called to pray for our leaders (I Tim. 2), and special blessings result when we pray fervently (Js. 5:16), day and night (Lk. 18), and together (Mt. 18:19-20). We battle not against flesh and blood, but against principalities and powers (Eph. 6:12). Not by might, nor by power, but by My Spirit says the Lord (Zech. 4:6)
- 1. Declare our dependence upon Him. Welcome His presence and help. Seek an outpouring of the Holy Spirit unto revival in the church and Great Awakening in America (and beyond). Pray that Biblical values and God-honoring candidates will be advanced. Pray for specific candidates, ballot initiatives, and issues (one-page monthly *Prayer Guides* are available at the “**Prayer Guides**” link on the home page of PreserveLiberty.com). Lots of vital info is available at RealClearPolitics.com.

B. Give:

- ✓ Invest consistently in organizations that are on the front lines of protect life, marriage, and America’s Biblical foundation (there’s a list of allied organizations on the “**Allied Organizations**” link at PreserveLiberty.com).

C. Work:

- ✓ **God’s Word calls us to advance Biblical values (Lk. 19:13) and God-fearing leaders (Ex. 18:21).** As we rapidly approach Election Day, we do this by:
 1. **VOTING on Election Day.** This is perhaps the simplest, most powerful thing we do (aside from prayer) as individual Sovereign Citizens of the USA, loaning our Sovereignty to others whom we deem will be God-fearing stewards in making policy.
 2. **Sharing information about candidates and issues via Email** (assure that Email messages are focused with clear contents and clear action points, if they’re meant to do more than just inform. A short table of contents is helpful if there’s more than one topic.
 3. **Putting a bumper sticker on your car** in support of a God-fearing candidate or issue; get the adhesive off later easily with “Goof Off” gunk remover.
 4. **Putting up a yard sign** in support of a God-fearing candidate or issue
 5. **Volunteering for a Campaign:**
 - a. **Phone Bank** – phone-calling for a God-fearing candidate from your home (into swing states during a Presidential Election) – visit RealClearPolitics.com to learn which races are closest and can really use our prayers, giving, phone-calling, and working / walking, etc.
 - b. **Walk Precincts / Neighborhoods** – leaving literature at targeted households to encourage them to support God-honoring leaders and Biblical / Constitutional / conservative values, and/or
 - c. **Various other functions include helping with special events, fundraising event, data entry, Email communications**
 6. **Serving as a Precinct Officer on Election Day** – serve voters at your local polling place from 6am till 10pm including set-up and tear-down time) on Election Day. Information and training is available at the **country registrar’s office**. You receive a small “stipend” for this service. (e.g., \$100 for the day, and \$25 to attend the training)
 7. **Serving as a Poll Monitor on Election Day** – your **county political party organization(s)** should have info about how to volunteer as a Poll Monitor to assure that there are no

campaigning activities (or other mischief) around a polling place on Election Day. They should provide training in advance.

8. **Doing Get-Out-The-Vote (GOTV) work on Election Day** which involves calling voters to learn who has voted, and then encouraging them to vote before the polls close (usually 8pm local time). Some GOTV efforts can involve picking people up to drive them to the polls if they haven't already done so that day.

II. Next Election Year:

9. **Registering voters** – today (Oct. 18) is the deadline in many states. Voter registration should be a **year-round pursuit**, not just at election time. Training is available at your county voter registrar's office
 - a. At church (non-partisan, but using the "Party Platforms" sheet available at PreserveLiberty.com, and/or
 - b. In the world at large (can be partisan)
10. **Producing Local Voter Guides** -- see the curriculum about this on the "**Trained-Up**" link (Archived Resources) link at PreserveLiberty.com. Almost no one knows the views and values of their local candidates (or state and fed candidates) without the help of Voter Guides.
•••We'll freely teach anyone, via teletraining, who'd like to learn to produce non-partisan Local Voter Guides for their own city or county. Our local / state / fed Voter Guide is available now on the "Voter Guides" link at PreserveLiberty.com.
11. **Qualifying a Ballot Initiative** – help collect signatures to get a ballot initiative on the ballot.
12. **Running for Local Office** – see the curriculum about this on the "**Trained-Up**" link (Archived Resources) link at PreserveLiberty.com.

III. Closing thought... thinking "long-term" (marathon ministry mentality)

GIVE 6 hours a month, and **GET America back:**

There's a three minute video clip at PreserveLiberty.com in case you'd like to check it out. [Here's the simple three-step P-E-W model:](#)

1. **PRAY** together consistently for our leaders and nation, city-by-city, **one hour every month**. We provide a monthly updated one-page prayer guide to every group leader, and will build a free webpage for every group that want one. PRAYER is the power and the glue that hold us together long-term.
•••It takes two minutes to sign up a new prayer group on the "Start Monthly Prayer Group" link at PreserveLiberty.com.
2. **EQUIP** with the Biblical and Constitutional basics of good government. Remember the wonderful works of God in America (Ps. 111:4).
•••There are a series of free one-page "primers" on the "Biblical Principles" link at PreserveLiberty.com.
3. **WORK** together locally **one morning every month** to advance Biblical values and God-honoring leaders (Lk. 19:13, Ex. 18:21). Voter registration, neighborhood work, producing local voter guides, building relationships with elected officials, and running for local office are all vital "works" that change things.
•••We provide free tele-training one hour a month – for info, please visit the "Trained-Up" link at PreserveLiberty.com.

A UNIQUE Model containing three governing fundamentals: 1) **prayer** (versus works only), 2) **local** (versus state / fed only), and 3) **year-round** (versus "project" only).

Consider the **benefits** of making a simple “leave-behind” ministry model available in every city – a turnkey “no cost” model that helps the people to engage in:

1. More consistent united **prayer**, city-by-city, for our leaders and nation
2. Increased **understanding** of our nation’s history and foundation, and the vital issues of the day
3. More consistent **work** to advance Biblical values and God-honoring leaders, beginning at the local level
4. Increased financial “**investment**” in supporting organizations and candidates that are leading the charge to reclaim our nation for Christ, preserving our Biblical / Constitutional foundation.

Below is a picture of the “vision” of thousands of groups across America that pray and work together city-by-city to advance Biblical values and God-fearing leaders.

Location: United States

Data gathered by: U.S. Defense Meteorological Satellite Program (DMSP) spacecraft

Instrument: Operational Linescan System (OLS)

Uses of information: This image of nighttime city

lights was produced with data gathered during 186 orbits of the DMSP F-12 satellite and 50 orbits of the F-10 satellite from October 1994 through March 1995. The OLS is able to detect faint sources of visible and near-infrared surface emissions, including city lights, gas flares and fires. To filter out nonstable lights, such as fires and lightning, researchers at the U.S. National Atmospheric and Oceanic Administration de-

termined the number of times a light was detected during a cloud-free observation. Thus in this image, most of the detected features are lights from cities and towns, although oil platforms are visible in the Gulf of Mexico. City-light maps, which are indicators of human population distribution, can be useful in studies of human impact on the environment, according to the researchers.

Bio for Mark Matta

Mark graduated from the University of Southern California in 1985 with an MBA in Finance, and has served in various financial roles from commercial banking to CFO. He also served as a California Senate District Representative for four years (during which time God gave him the special opportunity to meet President Reagan and fly an F-16 at Edwards Air Force Base). Mark has been involved in public policy for 20 years. Mark currently serves as a full-time development director for an international media ministry.

Mark gave his life to Jesus Christ at the age of 12. His wife Lisa is an eighth-generation niece of George Washington. Their four children are ninth-generation descendents of George Washington's brother John Augustine Washington. As a family they enjoy learning and sharing about America's Biblical and Constitutional foundation.

In 2001, Mark established the PreserveLiberty.com website to provide free resources to equip people of faith to understand and protect America's Biblical foundation, the source of our liberty. He also co-founded **Public Awareness Ministries**, a non-profit 501c3 educational organization that equips people of faith to **pray** together locally for our leaders and nation (I Tim. 2, II Chr. 7:14), **remember** the wonderful works of God (Ps. 111:4), and **work** together locally to advance Biblical values and God-honoring leaders (Lk. 19:13, Ex. 18:21). Mark is serving as a volunteer executive director of Public Awareness Ministries to help build a standing army, city-by-city, that prays and works together to protect life, marriage, America's Biblical foundation, and the liberty it gives.

By consistently reclaiming our cities for Christ, beginning with prayer, we can get our states and nation back.
