

Dear Judeo-Christian Leader,

January 17, 2010

Welcome to the Third Monday Evening Tele-Training, hosted by Public Awareness Ministries / PreserveLiberty.com. The outline for tonight's teaching by **Phyllis Schlafly, Esq.**, Founder and President of **The Eagle Forum** (www.EagleForum.org), begins on page two, and Mrs. Schlafly's BIO is below on page three.

Tea Parties, Town Halls, meetings, rallies, and conferences are vitally important, but when the rally is over the important question is: what effective things will we each do on our own home turf that really make a difference?

While Glenn Beck, Sean Hannity, and Rush Limbaugh do an excellent job "sounding the alarm," telling us what's wrong in America and how it affects us, they do not **provide a local plan** to reclaim our nation through consistent united city-by-city prayer and work. This is the goal of PreserveLiberty.com...

Restoring America's Biblical and Constitutional foundation will require prayer and focused work of individual citizens like you and me. By God's grace, if Christians who have a Biblical worldview¹ will GIVE one hour a month in consistent united local **prayer and one morning** a month to **work** to advance Biblical values and God-honoring leaders, then we'll GET America back.

GIVE six hours a month – GET America back!

Share the vision of thousands of local groups across America, each of which has several churches or organizations tied-in, that consistently pray and work together city-by-city to advance Biblical values and God-honoring leaders. Will you join us in consistent united local prayer and work, and encourage others too? **Thank you** for your time, prayers, and consideration.

--Equipping conservative thinkers to pray and work together, city-by-city, to protect life, marriage, and America's Biblical foundation,
