

Dear Judeo-Christian Leader,

April 18, 2010

Welcome to the Third Monday Evening Tele-Training, hosted by Public Awareness Ministries / PreserveLiberty.com. The outline for tonight's teaching by **J. Michael Smith, Esq.**, President and Co-Founder of the **Home School Legal Defense Association** (www.HSLDA.org), begins on page two, and biographical information for Mike Smith is below on page three.

Tea Parties, Town Halls, meetings, rallies, and conferences are vitally important, but when the rally is over the important question is: what effective things will we each do in our own home, church, and community that really make a difference?

While Glenn Beck, Sean Hannity, and Rush Limbaugh do an excellent job "sounding the alarm," telling us what's wrong in America and how it affects us, they do not **provide a local plan** to reclaim our nation through consistent united city-by-city prayer and work. This is the ongoing work of PreserveLiberty.com.

Preserving America's Biblical and Constitutional foundation will require prayer and focused work of individual Judeo-Christian citizens like you and me. By God's grace, if Christians who have a Biblical worldview¹ will GIVE one hour a month in consistent united local prayer and one morning a month to work to advance Biblical values and God-honoring leaders, then we can GET America back.

GIVE six hours a month – GET America back!

Share the vision of thousands of local groups across America, each of which has several churches or organizations tied-in, that consistently pray and work together city-by-city to advance Biblical values and God-fearing leaders. **Will you join us** in this vital effort to preserve the foundations of liberty as we pray, recruit, train, and work together city-by-city? **Thank you** for your time, prayers, support, and consideration.

--Equipping conservative thinkers to pray and work together, city-by-city, to protect life, marriage, and America's Biblical foundation (the source of our liberty),

"God grants liberty **only** to those who love and are willing to defend it." -- *Daniel Webster*

¹ Barna.org estimates that approximately 9-10% of all Christians have a Biblical worldview.

Homeschooling – The Right Choice

By J. Michael Smith, Esq.

President and Co-Founder of Home School Legal Defense Association

1. **Home schooling** gives parents the opportunity to truly raise their children up according to the Biblical direction.
2. In the process of providing a Godly upbringing and training, **home schooling** provides a superior academic program, one that addresses the child's needs individually.
3. **Home schooling** better prepares a child for adulthood; in other words, it is the superior way to provide socialization.
